# Fruit Ridge Notes

## Fruit Ridge Notes - Tuesday - August 15 - 2017 [2]

Fruit Ridge Notes  
from Ron Reister  
C.C.A.

**Greetings Friends .... "Two-a-Day" ??????????**

*Hope You're Closing in on Your Tuesday and All is Going Along Smoothly ...*

*Yup--- Two Short Ones Today ....*

**\*\*\*So.... Q & A ...?????** ...When I get into Questions-Discussion with Guys, or get a Reply on E.Mail from somebody, that I feel warrants sharing with Ya'll....???

I put it in a Fruit Ridge Notes ... usually under "Q & A" And .....Sometimes It does require Repeating myself.

**So....Yup---**We do work with "**John-Deere-Finance**" --- Please go to "**Reisters.Net**" and clic on **John Deere Financing** ...

**\*\*\*The Ladies here at RGSs** help me a lot with my Email Group-Lists.... The Groups include \*\*\*Row-Crop-Forage... \*\*\*Stone Fruit/Peaches-Etc... \*\*\*Apples... \*\*\*Grapes... \*\*\*Post-Harvest-C.A.Storage Operators... \*\*\*Organic Growers ..... Many many More... Kinda like All of the Above.

I had a Friend the other day Email me to say... "**Hey I sold my Farm 6 months back... I really dont read your NewsLetters much anymore... Take me off your list please.**"

Also... some guys just don't read them and don't need or want the E.Mail-InBox-Activity....???

....At any Rate .... Anybody Receiving these Fruit Ridge Notes that would really like to **Not be getting them**, Please simply Reply "**Off**" ...The Ladies here watch my Emails and will see your request and get you off the List ...No Problem....No Questions Asked. Thank You so Much.

**\*\*\*Yup--We are actually in the Middle** of our 4th Year working with and watching these simply ridiculous results with the **Redox Products**.... Just crazy good.

Pls watch these 'F.R.Notes' for alerts to **Redox University** where you can start to get your head around the 20+ different Redox Products, and what all goes into their Composition and some of the How-Why they work like We are currently Witnessing .... It is most certainly some Hi-Tec-Science. I'm still grasping parts of it. Very Cool.

Also----I have a really impressive Research Paper called Potassium Paradox that I'll be Forwarding to Ya'll.... Impressive.

**Warmest ....r**
