Looking Forward to Seeing a Bunch of Ya's

******The Conference** is Tuesday and Wednesday

And.....Then our **Redox University** is Thursday-**18th**...
...with Registration & Breakfast 7a - 8a... then Lots of Learnin....Lunch-
Noon-1pThen Much More Learnin5.30p Get ready for Dinner.
I'm thinkn there is gonna be some "Free-Time" from maybe 3p til
Dinner....??? Pretty sure....not positive.

******"N" for Certified Organic Production** You Guys be sure to
look at the new one from **Agrinos**.... a **Liquid "5-0-0"** with a bunch of
serious Goodies in the Composition.... **Do Not Miss the Mid-Feb.-
Meetings** There is so much really seriously Cool stuff goin on these
days for the Organic-Producers..... I am very excited for All Ya's.

******Q & A.... Yes...The "ORO-Boost"** is a Organic-Production-
Users Sister-Product to the *Prevam and *WetCit & *Vintre... Just
simply Awesome Technology.... Replaces all the Pricy MSOs and COCs
and Silicones.... Amazing **Spreader**Wetter**Penetrater But
Also.....
....As many of you have found out...It works like Prevam [**Also from
ORO-Agri**] as a Miticide-Insecticide-Fungicide....It's just the very
Nature of the Beast This stuff hits that Disease Pathogen or that Mite
or Aphid ...or any Soft-Bodied Insect....and it immediately Penetrates the
surface and dries it out. It also destroys the Wings on many Flying
Insect Pests.

******Yes...Thank You.... I do Realize** that the
BNRs [BigNationalRetailers] "Down the Street" will likely see my
"FRNotes and Commentary" on how much they *Over-Charge* for their
Proprietary Products.... like Adjuvants-Surfactants.....???? Yup - I get
that.

ButSo what if they tell their Fave Grower Pals **"Buy a Pallet and get
10 cases Free"**???? That's all fine-dandy-good right...??? I mean for
the Growers ...??? The Growers are Saving....???
