*Hi Everybody
... and There Goes the Snow*

We had a really rugged week.... Tues-Wednes-Thurs--- In Front of well-over 230 Growers in total this Week.... Some Great Presentations from our Fave Research & Development Guys ... Manufacturer Associates ... very good Information.

Some Discussions at the Reisters Grower Services Winter Meetings and Expo Included....

++**The Systemic "'005"** Copper-Bactericide-FungicideCS2005 from MagnaBon....Used in Summer-2017-Trials in 12 Covers...24 Alt.Centers ... Helped to Control all 10 serious Diseases that Apple Guys have to fight thru-out the Season.... Including Scab and FireBlight. We had no Symptoms...No Disease "Issues" No Phyto....No Russetting....

++**In one 10Ac.Trial-Block**, where there are Nectarines-Peaches-Tart & Sweet Cherry-Apricots-Grapes-Pears-Plums-Prunes....All InterPlanted into 8 Apple Varieties.... We had no-Ill-Effects on anything from all of the "'005" Applns....Only outstanding results.... All looked really good.

++Yes we **Tank-Mix** our Captan and Formula-II-SW[Phite] and our "005" and Calciums and morewith no Issues....No Phyto.

*****Invictus.M.A.** is one thing I wanted to expound on more than I did at the Meetings, and didn't get to it like I meant to.... the M.A. stands for *Mergers and Acquisitions* ... My Pal there is Mike Teeter....married to a beautiful Gal that is the daughter of one of my Blueberry-Grower-Customer-Pals from several years back. And, Mike is good Pals with Steve Paul as well... Steve is our Blueberry-CSR-Consultant.

These Guys at **Invictus** search for Business-Men that are maybe interested in selling some Entities or Properties, and getting those Guys together with someone that should be real interested in buying that specific Property.....and Mike knows of certain Business-Men that are seriously looking for Real-Estate meeting specific criteria... Mike and his Team diligently look to make these types of "marriages" happen.
