I'll get the Gals to check those Details for any UpdatesStay Tuned.

*****Q & A ...No....** **Jeff Alicandro** won't be speaking at our Winter Meetings next week. That Guy really busts his a-- for 6 - 7 months ... like 16-17-18 hours-a-day. We're all looking for our various 'Forms' & Reports needed to do our Taxes.

George Washington said...."*It may be laid down as a primary position, and the basis of our system, that every Citizen who enjoys the protection of a Free Government, owes not only a proportion of his property, but even of his personal services to the defense of it.*" Back when George said this, there were almost no Idiotic-Buffoons or Traitors holding Office in the Government....and the Taxes were only like 1.5% - 2.5% ...and 90% of the Fed-Tax-Revenues went for National Defense and War Debt.
