## Fruit Ridge Notes - Tuesday - February 20 - 2018

**Hello All.....** I had an issue sending the FRNs yesterday ...for some goofy 'gmail' reason...???

The Ladies put it on FaceBook...and are working at ReSending it EMail

....

You can see it on FaceBook by simply searching 'Reister's Grower Services' .... You will also see some Photo's of our recent Grower Meetings....

The FRNs from Yesterday and today are not yet posted/archived at "'Reisters.Net"' ....But all the earlier ones are there.

**Current News.....**Some of our Cherry Industry Friends & Associates recently visited Washington DC....Talked with some of the right Folks about the problem with Turkey and Poland shipping BoatLoads of Tart Cherries into our Markets here....way to cheap.... with very low-almost-no-tariff ..... I think this new administration is a better listener ...??? ....for sure using a much better "Business-Mans-Perspective" ....??? I hope the right words get into the right Ears.

These Cherry-Grower-Processor-Pals are saying that Phone Calls and Letters to our CongressMen & CongressWomen and Senators really do still work.

Many of Ya'll know how easy that is now-a-days to do....

Go to "[whoismyrepresentative.com](http://whoismyrepresentative.com)" ....Enter your ZipCode.... That brought up for me \*\*Peters \*\*Stabenow \*\*Amash and \*\*Huizenga ...Then there is a place to clic for each...Then there is a place to clic "Contact" which gives you a spot to compose a Message and send it.... To do all 4 .... 1 medium Pour.

I really think we can make a serious difference if we would all take a few minutes to send a message.

There are other WebSites that do that same thing... If you simply enter "Find my Representative" you will see what I mean. And I'm sure the old paper Letter-via-U.S.Mail also still works just as well.

You Folks from other parts of Michigan will have different Reps...not Amash and Huizenga....But your Senators will be the same.  
You guys from outside Michigan will of course be totally different.  
....Even if you're not a Cherry Grower...You likely have Pals that are ....??? Every Message Sent will help.

May our Incredible God Bless Your Efforts in All that You Set Your Mind To .....Our God wins.....r
