## Fruit Ridge Notes - Friday - September 14 - 2018

### Greetings All...

It was still kinda Foggy here at 11.30 am .....  
But Good Pickn Weather now .... Lots of different Varieties  
coming off..... Actually Looking very Nice !!!!

\*\*\***The DeeTeam here is Already** busy Planning the Meetings for  
this UpComing *Great Lakes Expo* and the February "*Reisters Winter  
Meetings*" **and more.....**

One notable change I see is that this coming February--2019  
Meetings will be the Tuesday-Wednesday-Thursday=**26th-27th-28th**

....  
That's 2 Weeks later than our traditional mid-Feb-12th-13th-14th.....Why-  
Because... ??

...We heard from some of you that those Dates will make it possible  
for you to attend.... and we couldn't find anybody that it messed with.

\*\*\***Heard thru the GrapeVine ....** Some Guys gettn POd with  
**OBLR....??** Yeah....That's Fish-Bait. Really nothing to do about those  
now...or even in the last few weeks.

Planning Ahead.... We do have the Tools ...

There are 20 - 25 Products Listed as "**E**" by MSU - Pg.115-116...E154  
.... But that's for planning strategy for early-on 2019.

**Apprx 35 Vendors** Receive this *Fruit Ridge Notes* NewsLetter ....  
Some of which are really quite New-in-the Bizz.....

.....Many, or most of which have never "Loaded-a-Tank" ....?? ... and I  
keep getting some very basic Questions from some of those Vendors....

Here's the thing ..... My Smart Money Guys tell me I have already  
"Dumbed-Down" my News-Letters enuf.... So... I won't be taking up  
any Time-Consuming-News-Info-Space for lengthy elaborations on the  
Basic-Fundamental Stuff.... There are 850 Growers kinda pressed for  
time.

Thank You. We so Appreciate your Understanding.

**The Next Few Days are Gonna Be too Hot ....**

**Please Mention that to the "Creator-in-Charge" of those  
Details ....**

**We Want 65°F Days with partial Sun ..... 43°F Clear Nights**

.....  
**I will Mention It Also.**

*Happy WeekEnd..... r*
