**Hello Fave Folks .....**

**Stayin kinda Chilly.....**

**Forecasters are Talkin Stayn in the high 40's for a few Days...???**

**Deer Huntin Weather.....**

**\*\*\*Reminder ...** There has indeed been a bunch of Discussion regarding Herbicides lately..... One Smart Money Pal just told me I should Remind All about that 1-Pint-Acre **Vintre**.... to make a huge impact on Herbicide-Chemistry Performance.

It's a trick we actually learned from our Row-Crop-Pals. They found that when they had the Vintre in the Tank-Mix, they were completely killing certain weeds that they figured for sure they were going to have to make a 2nd Pass to actually kill.

So....This should be in every Weed-Control-Tank-Mix.... Be it goin out into Blues....StoneFruits.... Apples .... All RowCrop-Applns.... Grapes ...

...  
And....ORO also has a **Organic**-OMRI Orange-Oil-Product that is a real Hit....very effective.

That Vintre is one of the Products we offer from "**ORO-Agri**" ....it's the "Orange-Peel-Oil" Technology..... It does weird stuff.

ORO has one Product named Prevam that actually kills Soft-Bodied-Insects like Mites and Aphids....and also kills Disease Pathogens. It Penetrates the soft tissue and dries it up.....a Contact Kill.

**\*\*\*Quite a Few Apple Folks ...**Have mentioned to me they need most of Next Week yet to finish Harvest..... Quite a few Fuji & Braeburn. All are Prayin for Zero Precip.

**\*\*\*Excellent Idea.... Yes Thnx... For Sure ....** For any of You that want to have a little Face-Face-One-on-One-Discussion regarding the Redox Technology.... Yes. By-All-Means. Call here and let's get somethin plugged in. 616-887-9933 616-678-7708 ...Lookn Fwd to Seeing You. We can huddle up here-My Office ...or at your Fave Coffee Shop.... or for Lunch.... Just let me know.

And remember Step **1. Dont Commit** to any of that old traditional granular-Non-Performance NPK-stuff. Step **2** is getting together to discuss "the Plan" ...

**Thirty-Five Years Back** ..... A gang of spineless cowards ...which just happened to be Islum-Jihadist-Radicals..... Bombed our Personnel at our Multi-National-Forces Barracks at the Airport in Beirut Lebanon. Hezbollah and Iran were also indicated as being involved. 241 Americans were among the Hundreds murdered by these mindless ignorant cowards.....plus an additional 128 Americans were wounded.
