## Fruit Ridge Notes - Wednesday - January 2 - 2019

**Happy New Year 2019 Friends !!!**

**That Last Year 2018 brought All of Us a Bunch of Stuff to be so Thankful for !!!**

**But as always .... there was plenty of Heart-Break & Bad-News to go around as well....**

**We Grieve the Loss of Those BeLoved Friends & Relatives Whom are now in Heavenly Bliss.....**

**..... We continue Praying for the Comfort & Peace & Wellness of Their Families.**

**And Some Folks had a Financially Disastrous Year-2018**

**..... Incurring all of the Expenses, and yet getting so desperately little in \$\$Return\$.....**

**\*\*\*\*Please Please Pretty Please .... Remember** the **N.W.M.O.& V.Show**.... that's the *North West Michigan Orchard & Vineyard Show*.... Acme Michigan .... at the "Grand Traverse Resort & Spa Convention Center" .....It's on Tues-Jan.15th & Wedn.16th .... and then the 17th-Thursdays is the *Redox University*.

The *NWMO&V* Meetings are usually focused about 65%-StoneFruit.... and 35% Vines and Apples & Hops ... and the *Redox-Thursdays-Session* is all about "Smart-Money" Nutrition in All-Crops. I will be expounding on the Redox-University-Details in Tomorrows F.R.Notes....

**\*\*\*\*I See some Guys "Grinding-Up"** some certain Varieties of Blueberries that come into Harvest earlier..... that are normally in the cheaper Market ... and are always more likely to end up going to Processors.....??

*Smart Move* I would say. For the last 5-6-7 Years, it seems the Blues-Process-Market just plain sucks. Ya gotta do serious Fresh-Pack to pay any Bills.

**\*\*\*\*Several of You** have likely heard or read a Briefing on the Results from the 2 - 10 -Acre-Apples-Trials we did again this past-Summer-2018. There was a brief Summary we handed out at our Booth-- Expo-Grand Rapids ... We will expound in greater Detail on those Trials at the Booth at the *NWMO&V Show*--Jan.15-16 -- Acme MI., and a whole bunch more again at our Reisters Winter Meetings & Expo February 26-27-28th.

Our "Goal" this past Summer ...in the Trials ... was to Spray as absolutely Cheap as Possible. Pretty impressive.

**\*\*\*Those RGSs-Winter-Meetings & Expo Dates-- Venues===**

26th==Conklin ... 27th==South Haven ... 28th==Traverse City ... More Details will follow.

Please Save-the-Date now for the Location you want to attend. Remember.... Each Venue will have the same Basic Info-Share .... Attending more than one of these will get you more Fellowship, but thats about it.

And.... Deanna always get us several Points for the RUP-Lic-ReCertification also.

**\*\*\*Some Certain Manufacturer Representatives .... Involved in *Product Research & Development* ....** are asking me to organize Lunch Meetings to get them in front of You, because they are going to be out-of-the-Country when we want them to speak to You at our Reisters Winter Meetings & Expo in later February.....???

So..... I'll be contacting a bunch of You Guys & Gals about that .... over the next few Weeks. One Guy told me he just simply has to much Information to share in the Time-Allowed at the RGSs Winter Meetings & Expo .... so he wants a Lunch Meeting also .... He's gonna do both. The DeeTeam & I will be in touch about those Lunch Meetings. Please watch for EMail & Texts & Ph.Calls & VoiceMails.

**Praying Blessings for You & All of Us on this Short Work Week .... Be Safe ....r**
