**** **Got Some Production Numbers** on the *Red Delicious* from the Protocol-Block east of our house - Gooding St....

Under 1,000-Bu-per-Acre.... I thought it was gonna be more impressive than that from the Visual of how the full-Bins were lined up in the Rows during HarvestLooked like a lot But Nice-Size.

But plenty of Scab on the Apples... with Zero to 00.000008% on Foliage.

Over at the 9 Mile Rd.Trial-Block.....Same Spray-Program ...Only doing the CS2**005** Copper all Season for Scab...???

And No Scab ...None..... with Only the "**005**" -- No Summer Diseases... Nothin. All Good.

Alsoat Goodingwith all the Wooden Bins stacked-stored 300 Ft. west of those Red Dels, and with the old 30-Acre-abandoned-Apple-Block 1/8th Mile West-SouthWest of these Red Dels.... There was once again plenty of Insect pressure... plenty of damage. Maybe not quite as bad as last year...?? But plenty.

**** **Opening Day Nov. 15th**

I talked to Dave Reister ... asked for a hint when he might be up at Dads Barn on Opening Day ...with his Catalogsfor anyone that may want to order any Guns for Christmas Gifts...??

Dave is a Licensed Michigan Certified Gun Dealer.

He said he will most likely be there at 11am til around 1 pm.

Stay Warm.....

502 Years Ago.... the Reformation ... Martin Luther was being charged with Heresy..... Punishable by 'Burning-at-the-Stake' ... When he was given an opportunity to take back all the things he had said in his 95 Thesis, he replied.... "I cannot and will not recant. Here I stand. So help me God."pretty Cool Cat
